WEBWORK HOMEWORK

WeBWorK Homework will be done online at <http://math.msu.edu/webwork>. There is a \$39.99 WeBWorK fee that must be paid. Instructions for payment and payment due date are available on the WeBWorK website.

Initial WeBWorK homework due dates can be found [HERE](#). These due dates may be changed throughout the semester. See each assignment on the WeBWorK website for its actual due date. Homework assignments submitted up to 48 hours after the 100% deadline will be worth 75%. View the WeBWorK tutorial. Start working on WeBWorK homework for each section immediately after that section is covered.

In addition to the WeBWorK homework there is a special WeBWorK assignment: The **Prior to Drop Date Student Assessment**. This assignment is counted towards the 10%, similar to any other WeBWorK homework. However, these assignments are designed to help you determine if you should stay in MTH 234. The **Prior to Drop Date Student Assessment** is due just before the drop date with 100% refund.

QUIZZES AND EXAMS:

There will be up to 13 graded weekly quizzes throughout the semester. The two lowest quiz scores will be dropped and the remaining will be scaled to 20% of your final grade.

Exams are scheduled for **Monday February 23rd** and **Monday April 13th** from **7pm to 8:30pm**. The location of the exams will be announced in class at a later date.

Grading: If you suspect a quiz or exam has been incorrectly graded please return it to your instructor within one week of receiving it back. After this no grade changes can be made.

COMMON FINAL EXAM:

The Final Exam is scheduled for: *Tuesday, May 5th, 10:00 am-12:00 pm.*

The location of the final exam will be announced in class at a later date. All students are required to take the Common Final Exam. The university has strict requirements for exceptions. The dates for the exams are fixed. The final exam is cumulative. The exam will be closed book and closed note. Note that travel is not a sufficient excuse to have an exam scheduled on a different day.

COURSE GRADING:

Your course grade will be based on:

WeBWork	Quizzes	Exam 1	Exam 2	Final Exam	TOTAL
10%	20%	20%	20%	30%	100%

In addition, you must take the final examination in order to pass the course.

Final grades will be determined by:

4.0 Grade	0.0	1.0	1.5	2.0	2.5	3.0	3.5	4.0
% Grade	[0,55)	[55,60)	[60,65)	[65,73)	[73,80)	[80,85)	[85,90)	[90,100]

This scale may be curved throughout the semester to be more lenient. Such a curve is at the discretion of the calculus coordinator and instructor.
